(Updated 1/19/10)

**Byram Hills School District
Athletic Department
Transportation Waiver Release**

The Byram Hills Athletic Handbook states the following:

*“Student/Athletes shall be transported to and from away contests (games and/or scrimmages) by school authorized vehicles only. For special circumstances, parents may request to provide transportation **for their own child**. In such cases, the request must be made in writing in advance to the Director of Athletics and a copy (containing the Athletic Director’s signature) shall be submitted to the student/athlete’s coach. This request is valid and will be honored for the entire season in which the athlete is participating. On those days when you transport your child home from a contest, you must first make verbal contact with the coach before leaving. A new form must be filed for each sport season (fall, winter & spring). **At no time may students transport themselves or other student/athletes to or from away athletic contests (games and/or scrimmages).**”*

Parents wishing to provide transportation for their child to or from an away contest should complete the form below.

Child’s Name: _____ Sport: _____
(include level)

I, _____, will provide transportation to and/or from my child’s
(Parent/Guardian) (Circle One)
athletic contests during the fall, winter and spring season.
(Circle One)

I accept full responsibility for my child’s well being while providing such transportation.
